Public urban county is ineligible for RHCPP funding

3. Network Narrative: In the first quarterly report following the completion of the competitive bidding process and the selection of vendors, the selected participant must submit an updated technical description of the communications network that it intends to implement, which takes into account the results its network design studies and negotiations with its vendors. This technical description should provide, where applicable:

No activity at this time.

4. List of Connected Health Care Providers: Provide information below for all eligible and non-eligible health care provider sites that, as of the close of the most recent reporting period, are connected to the network and operational.

No activity at this time.

5. Identify the following non-recurring and recurring costs, where applicable shown both as budgeted and actually incurred for the applicable quarter and funding year to-date.

 No activity at this time.

6. Describe how costs have been apportioned and the sources of the funds to pay them:

No activity at this time.

7. Identify any technical or non-technical requirements or procedures necessary for ineligible entities to connect to the participant's network.

No activity at this time

8. Provide on update on the project management plan, detailing:

St. Joseph's Hospital's consortium is being lead by Kevin Groskreutz, IS Coordinator for St. Joseph's Hospital. Other consortium member's are in leadership positions at their facilities and are engaged at coordinating activities with St. Joseph's Hospital's consortium.

RHCPP Project Plan	
	Target completion date
Resubmit multi-year RFP	15-Aug-08
Award contracts to vendors for Chippewa Falls fiber installation	30-Sep-08
Fiber installation completed	30-Nov-08
Connectivity to Internet 2	15-Jan-09
Connectivity to MFC	15-Jul-09
Connectivity to Stanley	15-Aug-09
Connectivity to LadySmith	15-Sep-09
Redundant fiber route between Chippewa Falls and Eau Claire installation complete	15-Oct-09

9. Provide detail on whether network is or will become self sustaining. Selected participants should provide an explanation of how network is self sustaining.

St. Joseph's Hospital's plan is to fully fund the recurring costs through the facilities normal operating budgets after the pilot program expires.

10. Provide detail on how the supported network has advanced telemedicine benefits:

No activity at this time.

11. Provide detail on how the supported network has complied with HHS health IT initiatives:

No activity at this time.

12. Explain how the selected participants coordinated in the use of their health care networks with the Department of Health and Human Services (HHS) and, in particular, with its Centers for Disease Control and Prevention (CDC) in instances of national, regional, or local public health emergencies (e.g., pandemics, bioterrorism). In such instances, where feasible, explain how selected participants provided access to their supported networks to HHS, including CDC, and other public health officials.

No activity at this time.
